1712

The Appeal Brief filed on Nov 23, 1999 is defective for failure to comply with one or more provisions of 37 CFR 1.192(c). See MPEP § 1206.

Applicant is given a TIME LIMIT of ONE MONTH from the date of this letter or any time remaining in the period under 37 CFR 1.192(a) for filing a new complete brief. If a new brief that fully complies with 37 CFR 1.192(c) is not timely submitted, the appeal will be dismissed. The new complete brief must be filed IN TRIPLICATE. See 37 CFR 1.192(a).

1. ☐ The brief does not contain the items required under 37 CFR 1.192(c), or the items are not under the proper heading or in the proper order.
2. ☐ The brief does not contain a statement of the status of all claims, pending or cancelled, or does not identify the appealed claims (37 CFR 1.192(c)(3)).
3. ☐ At least one amendment has been filed subsequent to the final rejection, and the brief does not contain a statement of the status of each such amendment (37 CFR 1.192(c)(4)).
4. ☐ The brief does not contain a concise explanation of the claimed invention, referring to the specification by page and line number and to the drawing, if any, by reference characters (37 CFR 1.192(c)(5)).
5. ☐ The brief does not contain a concise statement of the issues presented for review (37 CFR 1.192(c)(6)).
6. ☐ A single ground of rejection has been applied to two or more claims in this application, and
 - a. ☐ the brief omits the statement required by 37 CFR 1.192(c)(7) that one or more claims do not stand or fall together, yet presents arguments in support thereof in the argument section of the brief.
 - b. ☐ the brief includes the statement required by 37 CFR 1.192(c)(7) that one or more claims do not stand or fall together, yet does not present arguments in support thereof in the argument section of the brief.
7. ☐ The brief does not present an argument under a separate heading for each issue on appeal (37 CFR 1.192(c)(8)).
8. ☒ The brief does not contain a correct copy of the appealed claims as an appendix thereto (37 CFR 1.192(c)(9)).
9. ☒ Other (including any explanation in support of the above items):

New copies of Appendix I are required since claim 19, line 5 denotes cationic groups which are "coherently" bound instead of the proper term "covalently" (amendment after Final rejection filed February 13, 1998, Paper No. 16). Only the appendix need be filed without the brief and other documents.

It is suggested that another amendment after Final rejection be filed correcting claim 20, line 5 to aminoalkyl esters "or" aminoalkylamides of acrylic and/or methacrylic acid as described on page 9, line 13-14 of the specification. The new copies of Appendix I should reflect this change since the amendment will be entered upon receipt.
